## **“They’re Playing Our Song”**

Book by Neil Simon  
Music by Marvin Hamlisch  
Lyrics by Carole Bayer Sager

America’s premier funny man and the Tony Award winning composer of “A Chorus Line” collaborated on this hit musical, a funny, romantic show about an established composer and his relationship with an aspiring young female lyricist, not unlike Carol Bayer Sager. Professionally, their relationship works beautifully - but this ultimately leads to conflict on the home front. Of course, there’s a happy ending. “It is fun and it is funny, full of blithe good humor, hilarious jokes and witty, pointed characterizations ... The concept of the musical is absolutely beguiling ... Simon has gotten himself another odd couple even odder than his first ... and is at his most sprightly and acidly comic.” - N.Y. Post. “Engaging light entertainment.” - N.Y. Daily News.
