More to Come In ICT's 2006-2007 Season

Can two divorced men share an apartment without driving each other crazy? **Neil Simon's** play centers on this pair of desperately mismatched roommates - one sloppy and one neat - who are arguably the most memorable pair of characters that the playwright has ever written. It debuted on Broadway in 1965 and spawned an extremely successful 1968 movie and sitcom that ran for five seasons. It recently had a two year revival on Broadway starring Nathan Lane & Matthew Broderick.

February 2, 3, 9, 10, 2007 @ 7:30 PM
February 4, 2007 @ 2:00 PM
ICT Warehouse Theatre

Book your passage now to travel aboard **The Dream Boat**. Iola Community Theatre is producing a musical journey where you'll find fun, adventure ... and maybe even love. This locally produced review will feature an evening of up-beat musical fare with a few treats and surprises.
