ICT Warehouse Theatre

Our third show is a bit of southern fried comedy, with a side of life-long friendships. Think "Steel Magnolias" meets "Same Time Next Year", with a touch of "The Golden Girls". Free from husbands, kids and jobs, five former college swim team members meet at the same beach cottage each year to catch up, laugh and meddle in each other's lives. **The Dixie Swim Club** focuses on four of those weekends and spans a period of thirty-three years.

This Is Your Community Theatre

The current economic climate has had a significant negative impact on Iola Community Theatre's finances. We rely upon the support provided through private donations to keep the Theatre alive. Ticket sales cover only about half of the expenses related to this production.

Royalties and rentals are especially expensive for musical presentations. We must buy set building materials and either make or rent costumes. Other expenses include such things as makeup, props, and special sound or lighting, heating, insurance and all the other costs of operation. Our actors, musicians and technical people are all volunteers looking for a creative experience. Your donations help give them this opportunity, and also help fund the Children's Summer Theater project.

Our friends' dollars help us in our mission to provide quality theater, entertainment and recreation needs for hundreds of area people of all ages. That's why our contributors are the real **Stars of ICT**. To help, visit our web site, click **Become An ICT Star**, and print the donation form.
