Thirty-four years ago, no one suspected that the Iola Community Theatre would become such an exciting part of the local community. When ICT's founders took to the boards at Memorial Hall in 1965 with their first production, "Teahouse of the August Moon," it was the beginning of an extraordinary journey for all of us.

Since then, we have shared our love of theatre with thousands of people of all ages. We have discovered a wealth of talent and made new friends by the hundreds. We have provided opportunities for you to unite with your south-east Kansas neighbors in wonderful shared experiences.

None of this would have been possible without the support of our patrons. From the beginning, their generosity made it possible for ICT to survive and thrive. We're extremely grateful for their financial help and for their faith in us over the years.

We still need the assistance of our friends so we can continue to serve our corner of the world by providing quality theatre opportunities for everyone. We invite you to make a dramatic investment in the area's economy by make a tax-deductible contribution to Iola Community Theatre.

Peter Pan

April 13-15, 2000

Don't forget to purchase your tickets to our Spring musical. ICT collaborates with the Iola High School Players to present the timeless family classic "Peter Pan." Come share the dreams of a young boy and his magical friends with ICT and the IHS Players at the Bowlus Fine Arts Center Auditorium. With your donation, you can order tickets to this very special event.

"Peter Pan" flies across the stage April 13-15, 2000. Single tickets for "Peter Pan" go on sale at the Iola Pharmacy, 109 E. Madison, Iola, in February. For more information about "Peter Pan" or Iola Community Theatre, contact the Bowlus Center at 316-365-4765.
